**MODE TRANSPORTATION NAMED
DUPONT TITANIUM TECHNOLOGIES INTERMODAL CARRIER OF THE YEAR**

DALLAS, TX (December 16, 2011) – Mode Transportation, an asset-light based third-party logistics company focused on delivering truck brokerage and intermodal services, has earned the prestigious Outstanding Intermodal Carrier of the Year award from DuPont Titanium Technologies (DuPont). The award recognizes Mode Transportation for its “Superior Performance in Transportation of DuPont products to our Customers.” Rob Marine, DuPont Modal Leader for Bulk, Package & Truck presented the award to Steven Stumpo, Account Manager and Frank Whalen, Operations Manager at Mode Transportation.

Mode Transportation handles intermodal freight for DuPont and Cyanide and Reactive Metals divisions. “We are excited to have been named Intermodal Carrier of the Year for DuPont and we are proud of the continued success of this partnership,” said Ted Kuriger, general manager of the Chalfont, PA office that earned the award. “We are delighted for our staff who keeps DuPont and their freight needs in focus year after year.”

Todd Thompson, senior vice president of Mode Transportation said, “Our 5 year relationship has included strong communication to create non-traditional capacity solutions. The Chalfont staff works closely with DuPont to deliver the best service possible and we are pleased to be recognized by DuPont.”
