**MODE TRANSPORTATION HONORED WITH
DUPONT OUTSTANDING SERVICE AWARD**

DALLAS (November 13, 2013) Mode Transportation, an asset-light third party logistics company and wholly owned subsidiary of Hub Group, Inc. (NASDAQ: HUBG), is proud to announce it has received the **Outstanding Service Award** from DuPont Titanium Technologies for the second time. The award recognizes Mode Transportation for its superior performance in managing the transportation of DuPont products to its customers.

Mode Transportation handles intermodal shipments for DuPont Titanium Technologies and its Cyanide and Reactive Metals divisions. "This relationship continues to grow stronger every year. We are pleased that we have earned this recognition again," said Ted Kuriger, General Manager of the Chalfont, PA agency for Mode Transportation. "Our operations staff keeps everything rolling smoothly for DuPont and we are very proud of their efforts."

Todd Thompson, Senior Vice President at Mode Transportation said, "Mode Transportation and the Chalfont, PA agency have worked with DuPont for a number of years and have found creative ways to handle their specific transportation challenges. The operations staff of Mode Transportation and the Chalfont, PA agency work closely with DuPont and stay abreast of all their changing needs. We take great pride in their collaborative work, which continues to delight this customer."

Leslie Ann Muir, Executive Buyer - DuPont Sourcing and Logistics, presented the award to Steven Stumpo, Account Manager and Frank Whalen, Operations Manager, of Mode Transportation's Chalfont, PA agency on August 27, 2013 at the DuPont Hotel in Wilmington, DE.
